Start Date: \_\_\_\_\_

### **BEGINNING OBEDIENCE CLASS:**

The first class in this series is for humans only; do NOT bring your dog to the first class. This is for beginning obedience classes only. Intermediate and Agility class participants should bring their dog to all classes.

**DIRECTIONS:** Classes will be held at 831 Sweeney Avenue, Unit E, Redwood City, CA

From 101, take exit 408 west onto Woodside Road. Go across Broadway (a large intersection, you'll see a Denny's nearby). At the next traffic light, turn left onto Bay Road. Take the fourth right onto Sweeney Avenue. Unit E will be on the right. There are several parking spaces in the parking lot itself, as well as plenty of street parking. Be aware of the fire hydrant; you will get a ticket if you park in front of it!

Important: Plan to arrive 10 minutes prior to start of class so your dog will have some time to meet & greet the other dogs and people before training begins.

### **REQUIREMENTS**

- 4 ft or 6 ft nylon or leather leash. No chain, retractable, or flexi-leashes.
- A good supply of bite-size doggie treats - moist & chewy types work best! These should be carried on you and easily accessible (fanny packs, attachable treat bags or pant/jacket pockets work well).

### **FEES & REGISTRATION**

All classes cost \$205 for the six-week session. To register, fill out this form and mail it along with a check made out to A Dog's Best Friend to: A Dog's Best Friend, 112 F Street, Redwood City, CA 94063

Enrollment will be confirmed when both registration form and payment are received. A confirmation email will be sent a few days before class starts. Please be sure the email address listed above is clear and correct, and check your spam folder if you don't see the confirmation email in your inbox before the start of class.

**Note:** Class size is limited to a maximum of 8 in order to provide each client and their owner with the best possible instruction. To guarantee a spot in this class for these dates, please register early!

For the safety of both human and canine class participants, the trainer reserves the right to revoke the enrollment of any dog that demonstrates aggressive or uncontrollable behavior. Cancellation is at the trainer's discretion.
